

# IBPS PO Syllabus

Main topic in **IBPS PO 2020** are General English Language, Quantitative Ability and Reasoning.

These topics can be further divided into different topics according to the questions asked in previous examinations.

**IBPS Exam Syllabus** is similar to other bank exams except that IBPS issues only the broad subjects.

## IBPS PO Prelims Syllabus 2019:

| English Language                | Quantitative Ability                                  | Reasoning                       |
|---------------------------------|---|---------------------------------|
| Reading Comprehension           | Simplification  | Logical Reasoning               |
| Cloze Test                      | Profit & Loss   | Alphanumeric Series             |
| Para jumbles                    | Mixtures & Allegations                                | Ranking/Direction/Alphabet Test |
| Miscellaneous                   | Simple Interest & Compound Interest & Surds & Indices | Data Sufficiency                |
| Fill in the blanks              | Work & Time   | Coded Inequalities              |
| Multiple Meaning/Error Spotting | Time & Distance                                       | Seating Arrangement             |
| Paragraph Completion            | Mensuration – Cylinder, Cone, Sphere                  | Puzzle                          |
|                                 | Data Interpretation                                   | Tabulation                      |
|                                 | Ratio & Proportion, Percentage                        | Syllogism                       |
|                                 | Number Systems  | Blood Relations                 |
|                                 | Sequence & Series                                     | Input Output                    |
|                                 | Permutation, Combination & Probability                | Coding Decoding                 |

## IBPS PO Mains Exam Syllabus:

**IBPS PO** is the main exam for the final selection and marks of Main examination will be added in final merit list. This exam consists of 5 sections: Reasoning & Computer, English Language, Data Analysis & Interpretation, General Awareness, and Descriptive Test (Letter Writing & Essay).

Please find IBPS PO Mian exam Syllabus in below table:

| Quantitative Aptitude    | General Awareness   | Reasoning                    | Computer Aptitude                    | English Language      |
|--------------------------|---------------------|------------------------------|--------------------------------------|-----------------------|
| Simplification           | Financial Awareness | Verbal Reasoning             | Internet                             | Reading Comprehension |
| Average                  | Current Affairs     | Syllogism                    | Memory                               | Vocabulary            |
| Percentage               | General Knowledge   | Circular Seating Arrangement | Keyboard Shortcuts                   | Grammar               |
| Ratio and Percentage     |                     | Linear Seating Arrangement   | Computer Abbreviation                | Verbal Ability        |
| Data Interpretation      |                     | Double Lineup                | Microsoft Office                     |                       |
| Mensuration and Geometry |                     | Scheduling                   | Computer Hardware                    |                       |
| Quadratic Equation       |                     | Input Output                 | Computer Software                    |                       |
| Interest                 |                     | Blood Relations              | Operating System                     |                       |
| Problems of Ages         |                     | Directions and Distances     | Networking                           |                       |
| Profit and Loss          |                     | Ordering and Ranking         | Computer Fundamentals /Terminologies |                       |

| <b>Quantitative Aptitude</b> | <b>General Awareness</b> | <b>Reasoning</b>    | <b>Computer Aptitude</b> | <b>English Language</b> |
|------------------------------|--------------------------|---------------------|--------------------------|-------------------------|
| Number Series                |                          | Data Sufficiency    |                          |                         |
| Speed, Distance and Time     |                          | Coding and Decoding |                          |                         |
| Time and Work                |                          | Code Inequalities   |                          |                         |
| Number System                |                          |                     |                          |                         |
| Data Sufficiency             |                          |                     |                          |                         |
| Linear Equation              |                          |                     |                          |                         |
| Permutation and Combination  |                          |                     |                          |                         |
| And Probability              |                          |                     |                          |                         |
| Mixture and Allegations      |                          |                     |                          |                         |
